## Abrasives

**3M:** coated, bonded and superabrasives

**Abrasive Technology:** diamond superabrasives, form wheels

**Allison Abrasives:** abrasive cut-off wheels

**Arc Abrasives:** coated, cut-off, grinding & flap wheels

**Awuko:** discs, belts, pads, sheets

**Bibielle (Tyrolit):** cutting, grinding, and surface prep abrasives

**Buffalo Abrasives:** centerless wheels, cut-off, surface grinding wheels and segments

**Dynabrade:** coated, non-woven, bonded

**Engis Diamond:** lapping & polishing

**Everett Industries:** saws, cut-off wheels

**Fives:** fine and OD grinding, superabrasives

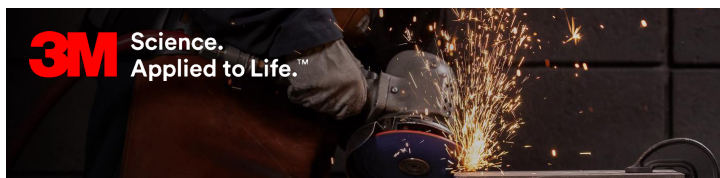

**Fortune Metal:** tumble media

**Gesswein:** finishing stones, mounted points, diamond tools

**Grier Abrasives:** mounted points, grinding segments & wheels

**Hayes Abrasives:** rubber bond cut-off wheels

**Klingspor Abrasives:** coated, bonded, cut-off abrasives

**Modern Abrasive Corp:** mounted points

**Norton Abrasives:** coated, bonded, cut-off, superabrasives

**Peter Wolters:** abrasive media, fine grinding

**Pferd:** cut-off, flap discs, grinding wheels, files

**Precision Abrasives:** belts, discs, flap wheels, deburring

**Radiac (Tyrolit):** conventional bonded and superabrasives

**Rex-Cut:** cotton-fiber abrasive grinding

**Shaviv:** deburring tools, blades

**sia Abrasives:** rolls, sheets, belts, flap discs, polishing

**Sunnen:** honing products and abrasives

**U.S. Electrofused Minerals:** abrasive media

**United Abrasives (Sait):** coated abrasives, grinding wheels, cutting wheels, non-woven

**VSM:** coated abrasives, belts, discs, rolls

**Weiler:** bonded, coated, non-woven abrasives, power brushes

**Walter Surface Technologies:** cut-off, sanding products, grinding discs and wheels

**Xebec:** deburring brushes, stones, tools

## Brushes

**Abtex:** abrasive filament brushes, deburring, finishing

**Brush Research Mfg:** power brushes, honing tools, nylon brushes, mini brushes

**Osborn Brush:** cup, wheel, end, and internal brushes, power brushes, maintenance brooms/brushes

**Schaefer Brush:** tube brushes, custom brush solutions

**Weiler:** cup, wheel, end, and internal brushes, power brushes, maintenance brooms/brushes

## Coolants & Lubricants

**Accu-Lube:** tapping fluids, lubricants, MQL

**Blaser Swisslube:** high performance metalworking fluids, water-miscible, neat oils, MQL

**Eastern Oil:** way oils, hydraulic oils, spindle oils

**Fuchs:** industrial oils and metal processing lubricants

**Gulf:** way oils, hydraulic oils, spindle oils

**LPS (Tapmatic):** tapping fluid

**WD-40:** machine lubricants, rust removal, degreasers

## Hand Tools & Maintenance Items

**Apex Tool:** Jacobs, GearWrench, Crescent hand tools

**Brady:** industrial printers, floor marking, safety signage

**Brighten Best:** fasteners, washers, hardware items

**Contact Rubber:** precision contact wheels, expanders, rollers

**Crown Matting:** anti-fatigue mats/runners, indoor matting

**DeWalt:** power tools, hand tools, storage systems

**Dremel:** rotary and oscillating deburring tools

**Dynabrade:** sanders and polishings, die grinders, drills, grinders, vacuum systems

**Eklind Tool:** full line of hex key products

**Energizer:** full line of batteries

**Gedore:** torque tools, ratchets, sockets, pliers, hand tools

**Grobet File:** hand files and carbide burrs

**Helicoil (Stanley):** Helicoil wire threaded inserts

**Hougen:** mag drills, annular cutters, hole punches

**Irwin:** hole saws, pliers, tool sets, hammers, hand tools

**Meltblown Technologies:** sorbent pads, rolls, socks, and spill control kits / products

**National Marker:** safety signs/labels, barricades, floor marking

**Oil-Dri:** sorbent products and spill control

**Red Devil:** caulks, sealants, adhesives, repair products

**Sioux Tool:** pneumatic die and wheels grinders, sanders, drills, impact wrenches

**SteelMax:** mag drills, annular cutters, punches, saws

**Strong Hand Tools:** welding tables and accessories

**Waldmann Lighting:** industrial light solutions for inspection rooms, CNC machines, and tool making

**Williams:** torque tools, ratchets, sockets, pliers, wrenches, hammers, clamps, hand tools

## Cutting & Metalworking Tools

### Indexable Tooling

**Advent Tool:** indexable thread mills

**Allied Machine & Manufacturing:** indexable drilling, reaming, and boring systems

**Arch Cutting Tools:** Ultra-Dex tooling, OD & ID turning, CBN, PCD inserts, special carbide

**Arno:** swiss tooling and lathe tool solutions

**Carmex:** threading inserts, turning and milling tools

**Ceratizit:** turning tools and inserts

**Dormer Pramet:** indexable turning and milling tools

**duMONT (Pilot Precision):** indexable broaching systems

**Everede Tool:** indexable spot drills, corner rounding tools, engraving and chamfer tools

**EZ Burr:** deburring tools/inserts

**GenSwiss (Utilis):** high precision swiss tooling

**Greenleaf:** ceramic indexable tooling

**Heule:** back deburring, chamfering, spotfacing tooling

**Horizon Carbide:** custom and special inserts

**Horn USA:** indexable tools for milling, turning, drilling, reaming broaching, gear cutting, thread whirling

**Ingersol Cutting Tools:** indexable solutions for milling, turning, drilling, and grooving tools

**Iscar:** indexable solutions for milling, turning, drilling, and grooving tools

**Kennametal (site specific):** indexable solutions for milling, turning, drilling, boring and grooving tools

## Cutting & Metalworking Tools

### Round Tools

**AB Tool:** keyseat, keyway, t-slot, picatinny cutters, form tools, solid round specials

**Advanced Tool:** end mills and micro end mills

**Advent Tool:** thread milling tools

**Arch Cutting Tools:** KEO tools, end mills, dove tail cutters, special & custom solid round tooling

**Bassett Tool (Greenfield Ind.):** end mills, drills, threading

**Botek:** gun drills, drilling systems, special tooling

**Brubaker Tool (Heritage Cutter):** end mills and taps

**Champion Cutting Tools:** step drills, hole saws, dies

**Chicago-Latrobe (Greenfield Ind.):** drills and reamers

**Cle-Line (Greenfield Ind.):** HSS drills, reamers, dies, saws

**Cleveland (Greenfield Ind.):** drills, reamers, threading tools (cobalt, HSS)

**Cogsdill Tool:** burnishing, deburring, reaming tools

**Conical Cutting Tools:** tapered end mills and cutters

**Core Cutter:** high performance end mills, special form tools

**Core Hog:** standard and special composite tooling

**Crystallume:** end mills and micro end mills

**Data Flute (Heritage Cutter):** solid end mills, chamfer cutters, corner rounding tools

**Kitzel:** CBN, PCD, diamond tooling

**Korloy:** turning and indexable inserts

**K-Tool:** indexable drills, mills, and chamfer tools

**Kyocera Precision:** indexable milling, turning, and drilling tools

**Lovejoy Tool:** milling inserts, chamfer, boring, step tools

**Mitsubishi:** indexable tools for milling, turning, drilling, & boring

**NTK (Tungaloy):** turning & milling inserts, ceramic and CBN

**Palbit (Pilot Precision):** indexable drilling, turning, milling tools

**Sandvik:** indexable solutions for milling, turning, drilling, boring and grooving tools

**SECO:** indexable solutions for milling, turning, drilling, boring and grooving tools

**Simtek:** indexable tools for milling, turning, and drilling

**Sumitomo:** indexable solutions for milling, turning, drilling, boring and grooving tools

**Techmet:** carbide blanks, cost-effective carbide inserts

**ThinBit:** grooving, parting, threading, and turning tools

**Tool-Flo:** threading inserts, turning, grooving, parting

**Tungaloy:** indexable solutions for milling, turning, drilling, boring and grooving tools

**Vardex:** gear milling, thread turning, thread milling

**Widia:** indexable turning and milling tools

**Walter USA:** indexable solutions for milling, turning, drilling, boring and grooving tools

**YG1:** turning inserts and indexable milling tools & inserts

**Destiny Tool:** high performance end mills

**Emuge:** high performance end mills, drills, and taps

**F&D Tool:** carbide and HSS special form tools and saws

**Fullerton Tool:** carbide end mills, drills, reamers, saws

**GARR Tool:** high performance end mills

**GMauvais USA (Pilot Precision):** micro drills

**GWS:** high performance and general purpose end mills, drills, reamers, blueprint special tooling & taps

**Greenfield Threading (Greenfield Ind.):** threading, dies

**Guhring:** carbide drills, reamers, taps, end mills

**Hannibal Carbide:** drills, reamers, counterbores, mills

**Harvey Tool:** miniature carbide tooling (end mills, drills), keyseat cutters, dovetail cutters, specialty profile tools

**Hassay Savage (Pilot Precision):** broaching tools

**Helical Solutions:** high performance carbide end mills

**HTC Tool Cutter:** HSS and cobalt tools

**IMCO:** high performance carbide end mills

**KV Tool:** regrinds, end mills, specials

## Round Tools - cont.

**Lexington Cutter:** arbor type milling cutters

**MA Ford:** carbide end mills, drills, reamers, countersinks

**Magafor (Pilot Prec.):** center & spot drills, countersinks

**Mapal:** high performance drills, reamers, end mills

**Michigan Drill:** HSS, cobalt, and carbide tooling & dies

**Micro 100:** swiss tooling, quick change, internal / external turning, threading, end mills, specialty profile tools

**Mikron Tool:** high performance drills, reamers, mills

**Morse Cutting Tools:** carbide end mills, drills, taps, HSS/cobalt tooling, dies

**Nachi:** high performance drills and end mills

**Niagara (SECO):** solid carbide end mills

**Onsrud (LMT):** end mills and routing tools

**OSG Tool:** carbide taps, drills, end mills

**Pioneer Broach:** broaching tools

**Promax:** end mills and corner rounding tools

**Regal Cutting Tools:** thread mills, taps, gages

**RobbJack:** solid carbide cutting tools

**Scientific Cutting Tools:** thread mills, port tools, specialty

**SGS (Kyocera SGS):** high performance drills and end mills

**Star Su Gundrills:** deep hole drills

**Supermill:** carbide end mills & special form tools

**Swift Carb:** carbide end mills and chamfer mills

**TBT / Kadia:** deep hole drills, gundrills

**Titan USA:** general purpose carbide tools

**Tri-Angle Reamer:** high precision reamers

**Viking Tool:** HSS and cobalt tooling

**Walter USA (Melin Tool):** carbide end mills & drills

**Weldon Tool (Heritage Cutter):** end mills and roughers

**Whitney Tool:** carbide milling cutters and saws

**Widell Industries:** special taps and dies

**Widia:** carbide and HSS/cobalt end mills

**Widin:** end mills, drills, center tooling

**Xactform:** carbide threading solutions and specials

**Yankee Reamer:** end mills, drills, center tooling

**YG-1:** carbide milling, drilling, tapping tools and HSS/cobalt general purpose tools

**YMW:** carbide taps and thread mills

Ask your local Butler Bros. sales representative about our custom tool solutions, regrind services, tooling management programs and blueprint specials.

## Janitorial & Cleaning Supplies

**Adenna Wiper (Hospesco):** wipers, low lint wipes, rags

**Berk Wiper:** wipes, towels, tissue, dispensers

**Betco:** floor cleaners, degreasers, disinfectants, hand soap

**CRC:** industrial cleaners, disinfectants

**Dial Professional:** hand soaps, dispensers, body wash

**Essendant:** full-line name brand cleaners, brooms, mops, trash bags, office janitorial supplies, restroom supplies

**Inteplast (Pitt Plastic):** full line of trash bags

**ITW Pro Brands:** LPS cleaners, degreasers, disinfectants, and Scrubs in a Bucket

**Kimberly-Clark:** toilet tissue, paper towels, dispensers

**Rubbermaid:** janitorial carts, mop buckets, trash containers

**Simple Green:** heavy duty cleaners, degreasers, disinfectants

## Material Handling & Storage

**Durham Manufacturing:** industrial shelving and cabinets

**Huot:** cutting tool storage systems and carts

**Husky Racking:** pallet racking, wire shelving, rack guards

**Kennedy Mfg.:** machinist & mechanic chests, toolboxes

**Lift-All:** slings, sling protection, hoists, lifting devices

**Lista:** storage systems, modular cabinets, workbenches

**Lyon:** storage systems, modular cabinets, workbenches

**Modula:** automated storage systems retrieval systems

**Quantum Storage:** plastic bins, totes, containers, wire shelving

**Rousseau:** storage systems, modular cabinets, workbenches, vertical storage solutions

**Vestil Manufacturing:** carts & dollies, forklift attachments, drum handling equipment, barriers, ergonomic solutions

## Measuring & Inspecting Products

**Big Daishowa (Speroni):** presetters

**Emuge:** plug and ring gages, thread depth gages

**Flexbar Machine:** flexbars, gages, inspection tools, borescopes

**Fowler:** gages, calipers, indicators, inspection equipment

**Hemco Gages:** plug and ring gages, gage pins

**Hexgon:** CMMs, laser trackers, 3D optical scanners

**Insize:** calipers, micrometers, depth & height gages, indicators, inspection equipment

**L.S. Starrett:** precision hand tools, data collection, gage blocks, height gages, hardness and surface testers

**Lyndex Nikken:** presetters, edge finders, height setters

**Mahr:** precision hand tools, data collection, height gages, hardness and surface testers

**Meyer Gage:** pin gages, plug & ring gages, custom size gages

**Mitutoyo:** calipers, micrometers, depth & height gages, CMMs indicators, vision equipment

**Renishaw:** CMM & machine tool probes, precision styli

**TESA Brown & Sharpe:** calipers, height gages, internal & external micrometers,

**Thread Check:** plug and ring gages, measuring equipment

**Vermont Gage:** pin gages, thread gages, go-nogo gages, custom gages

## Safety PPE & Supplies

**3M:** safety glasses, respirators, ear plugs, welding safety PPE

**Ansell:** exam, food, industrial grade disposable gloves, clean room PPE, industrial cut, impact, chemical gloves

**Berne Apparel:** hi-vis work shirts, outerwear, FR apparel

**Black Stallion:** welding PPE, high temp gloves, FR workwear

**Chicago Protective:** arc flash & high heat PPE, welding safety

**Cordova Safety:** arm, head & hand protection, safety glasses

**Impacto:** arm and hand protection, knee pads, toe protection

**Justrite:** hazard cabinets, safety cans & containers, eyewash

**Kimberly Clark:** safety glasses, disposable gloves, coveralls

**MCR Safety:** exam, food, industrial grade disposable gloves, safety apparel, industrial cut, impact, chemical gloves

**Moldex:** respirators, ear protection, safety glasses

**National Safety Apparel:** hi-vis apparel, FR work gear apparel

**Protective Industrial Products (PIP):** full line industrial work gloves, eye protection, hearing protection products

**Radians:** hearing protection, safety glasses, hand & arm protection, hi-vis apparel, FR workwear

**Showa Best:** exam, food, industrial grade disposable gloves, clean room PPE, industrial cut, impact, chemical gloves

**Sqwincher:** hydration products and powders

**Superior Glove:** work gloves, safety sleeves, welding products

**Supply Source (Safety Zone):** disposable gloves, bouffant caps, disposable shoe covers, beard covers, face masks

**SureWerx:** safety glasses, welding safety, traction products

**Tillman:** welding & high heat gloves, leather and FR apparel

**Ultrasafe:** fall protection solutions, harnesses, retractables

## Saw Blades

**Amada:** bandsaw blades, bandsaw machinery & equipment

**Arntz:** carbon steel, bi-metal, and carbide bandsaw blades

**Bahco:** bandsaw and hacksaw blades, circular sawblades

**Lenox:** carbon steel, bi-metal, and carbide bandsaw blades, hole saws, jigs, hacksaw blades, recip blades and cutting fluids

**L.S. Starrett:** carbon steel, bi-metal, and carbide bandsaw blades, hole saws, jigs

**MK Morse:** circular & band saw blades, reciprocating blades

**Roentgen:** carbon steel, bi-metal, and carbide bandsaw blades

**SteelMax:** circular cutting saw, carbide tipped circular saws

**Wikus Saw:** carbon steel, bi-metal, & carbide bandsaw blades

## Toolholding & Workholding

**5th Axis:** self centering vises, alignment pallets, bases

**Abbott Workholding:** chuck jaws and masterplates

**Alberti:** angle heads & attachments, spindle speeders

**Aloris:** tool posts and quick change tool holders

**Benz:** angle heads, spindle speeders, live tools

**Big Daishowa:** tool holders, collets, angle heads, boring systems, presetters, accessories

**Bison:** lathe chucks, power chucks, vices, milling fixtures, chuck jaws, clamps

**Blue Photon:** workholding adhesive, hard-to-hold solutions

**Carr Lane:** workholding components, clamps, fixtures

**Chick Workholding:** vices, tombstones, workholding

**Command Tooling:** milling holders, live tools, lathe tooling

**Dorian Tool:** live tools, collets, retention knobs, tool posts

**ETP Transmission:** milling tool holding and lathe tooling

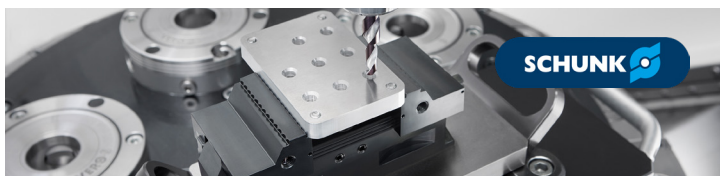

**Haimer:** toolholders, shrink fit, presetters, collets

**Hainbuch:** chucks, quick change systems, clamping

**Hardinge:** quick change collet systems, collets, chucks

**Heimatec:** static and live tooling solutions

**Heinrich:** vices, clamps, Grip-Master

**HPI Pioneer:** tool holders, shrink fit, collets, accessories

**Huron Machine:** jaws, chucks, vices, holding accessories

**Jergens:** vices, multi-axis workholding, quick change, locating components, clamps

**Kitagawa:** jaws, chucks, power vices

**Koma Precision:** rotary tables, angle heads, live tools, presetters, swiss tools

**Kurt Workholding:** vices, towers, tombstones, workholding

**Lyndex-Nikken:** rotary tables, angle heads, live tools, collets presetters, power chucks, robotics

**Mate:** self centering vices, bases, mounts

**Mitee-Bite:** low profile clamping

**Parlec:** tool holders, shrink fit, angle heads, boring systems

**Positrol Workholding:** clamping, chucks, fixtures, repairs

**Powerhold:** custom workholding solutions

**Pratt Burnerd:** manual & power chucks, hydraulic cylinders

**Rego-Fix:** ER collects, powRgrip, tool holding systems

**Riten Industries:** live centers, dead centers, face drivers

**Rohm:** drill chucks, live centers, face drivers, lathe chucks, power chucks, vices, cylinders, steady rests

**Royal Products:** quick grip collet chucks, collets, mist collectors, live centers, parts accumulators, CNC bar pullers

**Schunk:** toolholders, chuck jaws, lathe chucks, quick change pallet systems, automation technology

**Techniks:** tool holders, shrink fit, collets, boring tools

**Te-Co:** vices, column plates, workholding accessories

**Wilton:** industrial vices, c-clamps, f-clamps

## Packaging Supplies

**3M:** packaging tapes, water activated tapes, adhesives

**Abzac:** edge protectors, cardboard corners, kraft drums

**Advanced Cable Ties:** cable ties and cable tie tools

**Aero Rubber:** rubber bands, custom rubber parts

**All American Poly:** custom poly bags, sheeting, liners

**Alliance Rubber:** rubber bands, lobster & specialty bands

**Armor Protective Packaging:** VCI products, rust removers

**BeA Fasteners:** industrial staples, nails, pneumatic tools

**Berry Global:** poly bags, stretch film, packaging tapes, flexible plastic products

**BOX Partners:** full line packaging wholesaler of boxes, tapes, tags, mailers, labels and shipping solutions

**BRP Manufacturing:** custom extruded rubber products

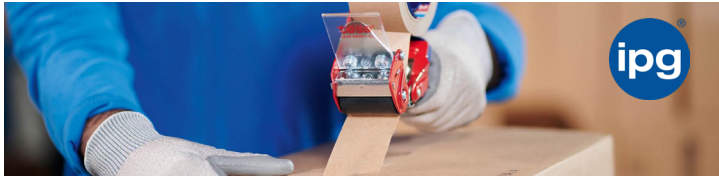

**Cascades:** heavy duty tri-wall corrugate boxes

**Daubert Cromwell:** VCI corrosion protection packaging

**Decker Tape:** full line tape converter, specialty tapes

**Encore Packaging:** strapping carts, strapping accessories

**Fromm:** poly strapping and strapping tools

**Ask your local Butler Bros. sales representative about our Foam Fabrication Division and custom packaging capabilities**

**Gerrity:** wood pallets and custom pallets

**Greenbridge (Polychem):** poly and corded strapping, strapping tools, arch equipment, cornerboard edge protection

**Index Packaging:** custom foam products, wood crates

**Inteplast (AmTopp):** hand and machine stretch films, can liners, specialty films

**International Paper:** corrugate boxes, custom box solutions, corrugate pads and dividers

**IPG (Intertape Polymer Group):** industrial packaging tape, water activated tape, Polyair bubble & foam rolls, mailers

**Laminations:** edge and corner board packaging

**Malpack:** full line hand, machine, and special stretch films

**Mills Industries:** custom corrugated plastic sheets and boxes

**Pregis:** standard and custom foam & bubble packaging, mailers, on-demand air and paper packaging equipment

**RTS Packaging:** paperboard packaging, chip board

**Samuel Strapping:** steel and poly strapping, jumbo and super jumbo poly strapping, strapping equipment

**Shurtape:** packaging tapes, duct tape, masking tapes, tape machine heads, custom & converted tapes

**Strapack:** poly strapping and equipment

**Tesa Tape:** standard packaging tapes and specialty tapes

**Teufelberger:** polyester and polypropylene strapping jumbo and super jumbo poly strapping, ropes

**Zerust:** VCI corrosion protection packaging

## Automation & Machinery

**168 Manufacturing:** automated coolant management systems

**3M:** packaging tape systems and carton sealing equipment

**Acer:** milling machines, lathes, surface grinders

**Advanced Automation:** turn key machine tending solutions

**Amada:** bandsaws and equipment, circular saws, grinders

**Bel Air:** tumbling, deburring & polishing systems, equipment and Media

**Benchmaster:** mechanical & pneumatic punch presses & parts

**Burr King:** belt grinders, disc grinders, polishers, deburring

**Cecor:** sump cleaners, industrial tanks/carts, dispensers

**Clausing:** CNC lathes, mills, grinders, drills, & parts

**Cosen:** horizontal & vertical band saws, circular cold saws

**Dake:** arbor presses, hydraulic presses, drill presses, horizontal and vertical band saws, cold saws, ironworkers, belt grinders

**Diversitech:** downdraft tables, dust collection, fume extractors

**Donaldson Torit:** filtration products for dust, fume, & mist

**Fromm:** handheld strapping tools, strapping equipment, parts

**FlexMachine:** FlexArm tapping arms, FlexJet water jet

**Freddy:** full line portable sump cleaners

**Graymills:** industrial parts washers, ultrasonic cleaners, pumps

**Heat Seal:** L bar sealers, heat tunnels, shrink systems, bundlers

**High Performance Fan:** large industrial ceiling fans

**IPG:** carton sealing equipment, case erectors/formers, water activated tape dispensers

**JET:** horizontal & vertical band saws, belt sanders, grinders, milling machines, drill presses, hoists, air tools

**Kalamazoo:** chop saws, belt grinders & sanders, dust collection

**Keller Products:** tramp oil removal and filtration products

**LiquidTool:** automated coolant management systems

**Mach1:** semi-automatic / automatic stretch wrappers & systems

**Magido:** full line industrial parts washers, spray washers

**MetalPro:** ironworkers and bending equipment, accessories

**MK:** conveyor systems, flexible chain conveyors, pallet handling

**NextJen:** tramp oil removers, separators, oil skimmers

**Oil Safe:** lubrication management, organization, identification

**Orion:** semi-automatic / automatic stretch wrappers & systems

**Phoenix:** semi-automatic / automatic stretch wrappers

**Royal Products:** Filtermist mist collection, parts accumulators

**Scotchman:** full line of ironworkers & tooling, saws, presses

**Seal-A-Tron:** L bar sealers, heat tunnels, shrink systems

**Sharp:** manual machine tools, CNC mills & lathes, surface grinders, band saws

**StraPack:** strapping systems, bundling equipment, banding

**Zebra:** oil skimmer products, tramp oil management, skimmers

**Ask your local Butler Bros. sales representative about our equipment repair services**
